HOSPITAL**

PARTNER WITH PURPOSE:

Learn how your sponsorship will help us open the doors, and save our local wildlife.

NRWH SPONSORSHIP INVESTMENT PACKAGE

Image: A rainbow lorikeet receives lifesaving care.

May 2024

INTRODUCTION

The Northern Rivers Wildlife Hospital (NRWH) Ltd was founded in January 2019 in response to the high demand for veterinary care for the over 10,000 wildlife rescued in our region every year. A group of committed individuals created the Hospital as a public company limited by guarantee and registered as a charity with Australian Charities and Not-for-profit Commission (ACNC).

The hospital is:

- Community driven
- Member based
- Guided by a Veterinary Advisory Committee
- Governed by an experienced Board

In mid-2024, the purpose built wildlife hospital will open in Wollongbar on Crown Land to service all seven Local Government Areas (LGA's) of the Northern Rivers in New South Wales, a biologically rich part of Australia.

It will:

- provide best practice veterinary and hospital services for sick, injured and orphaned wildlife
- assist the existing wildlife carer community and networks
- contribute to wildlife conservation and community education.

It is a big project to plan, build, fit out, staff and fund a fully operational, not-for-profit first class wildlife hospital but with your help, we can do it.

Government funding from all sides of politics over a number of years has allowed the build to commence. We need help with specific items to complete the build and then get the Hospital up and running. Help us save wildlife by becoming a sponsor at this critical stage.

SPONSOR OPPORTUNITIES

The Hospital invites you to participate.

Sponsorship will:

- 1 Provide your organisation with an excellent opportunity to promote your involvement in a valuable community asset
- 2 Showcase your products and programs relevant to like-minded people who share a passion for wildlife
- 3 Enhance your public relations through networking activities and exposure at and around the Hospital build and opening;
- 4 Ensure that your involvement, commitment and support are openly demonstrated and widely acknowledged;
- 5 Be seen as a non-intrusive, generous and supportive gesture whilst having excellent exposure and business opportunities;
- 6 Allow your staff to participate in Hospital activities and use future Hospital engagements as a staff incentive.

Detailed below are sponsorship opportunities to help organisations take part in the final build stage of the Hospital. Differing levels of sponsorship are available with benefits outlined below (all prices are inclusive of GST). NRWH is endorsed as a Deductible Gift Recipient (DGR), and donations of more than \$2 to its Public Fund may be tax-deductible to the donor

See Our WISH LIST from Page 6 on equipment we are seeking for the Hospital. Our Wish List gives donors complete choice and transparency in your giving.

All aspects of the proposed sponsorship and partnership packages are negotiable with the Sponsorship Manager including alternatives such as various combinations of cash and in-kind support and we would be happy to discuss additional benefits from sponsorship opportunities.

The Hospital Board looks forward to the opportunity of working with you.

Thank you!
